Notes from the boss.....

What a difference a week makes. After the disappointment at Scarborough we were faced with another tough assignment 48 hours later against Peterborough and the team bounced back with a win. Then to go away at Hereford last week and notch up another victory was encouraging. It was a workmanlike performance. Up front Trevor Morgan and John Thomas took their chances well and are creating an understanding together.

But don't forget Steve Elliott, he's yet to get his chance but it will come and when it does he will take it. Steve has been performing very well in training and has scored three goals in three games in the Reserves, making his intentions very clear.

What we have to remember is that the whole squad is very important because fourteen players won't get me through a season. When you start talking about injuries and suspensions, everyone will be required to do their bit through the long campaign ahead.

Today's visitors Halifax have had

a reasonable start to the season. It took a few games to finally beat them in the Cup last term. They are a competent outfit, very workmanlike and full of commitment. We know Neil Matthews, after his spell here at Burnden and we will obviously be on the look out for him. I understand he scored two goals last week.

My message to the players and fans alike is let's not get carried away and to keep our feet on the floor. We'll move steadily forward together.

Finally a word for the Reserves. They are lying in fourth position in the League and have won two of their opening three games and have averaged three goals a game and share the most goals scored to date along with Scunthorpe United.

HALIFAX TOWN

A recent change at the helm sees the emergence of a new Club Chairman in Mr Rod Thomas, who will be hoping for a successful season.

Backed by relatively new boss, Billy Ayre, they got off to a good start this term after Billy led Halifax to a creditable position in Division Four last term. It was particularly impressive because the small squad was decimated by injuries - at a time when the team

was on the hinge of a promotion play-off place.

There is optimism at the Shay that the young team could soon be pushing for promotion. The Clubs Youth team (six with first team experience) won the Northern Intermediate League last season, beating off the challenge of the likes of Sheffield Wednesday, Leeds United and Newcastle.

Front Row left to right: Paul Fleming, Billy Barr, Russell Black, Steve Thornber, Lee Richardson, Phil Brown (Captain), Mick Galloway, Adrian Shaw, Mick Matthews, Dean Martin, Tony Pearson. Photo courtesy of Mr Keith Middleton.

VISITORS PEN FILE

PADDY ROCHE — Dublin born Paddy is the holder of nine Irish caps. He had extensive Division One experience with Manchester United (46 League appearances) before joining Brentford in 1982. Joined Halifax Town in August 1984 and has proved a model of consistency.

PHIL BROWN — Joined Town in the Summer of 1985, from Hartlepool. Captain of the side, Phil is a real "Players Player" and his consistent displays have made him a popular crowd favourite. Leading scorer last term.

FRANKIE HARRISON — Made one appearance for Lincoln City before resuming his studies at Carnegie College. Joined The Shaymen last term and became a first team regular whilst playing non-contract has signed full-time for the 1987/88 season.

MICK MATTHEWS — Made an immediate impact on the team when signed midway through last term. Formerly with Wolves and Scunthorpe.

ADRIAN SHAW — Began as an Apprentice with Nottingham Forest and joined the Shaymen in 1985 following a period on loan.

MICK GALLOWAY — A 1986 signing from Mansfield Town where he had made 54 League appearances. Capped by Scotland at Youth Level, he has added fine distribution skills to the mid-field.

DEAN MARTIN — Graduated through the ranks to gain a regular First Team placing at the back end of last season.

STEVE THORNBUR — Another player who has graduated through the Clubs Youth and Intermediate sides. A ball winning, hard tackling mid-fielder who, though hampered by injury last term, has been a first team regular for the past two seasons.

PAUL FLEMING — An exciting young player who is equally at home in defence or on the wing. Graduated through the Clubs Apprentice and Intermediate Ranks to a First Team placing. A member of the title winning Northern Intermediate side last season.

STEWART FEREBEE — Former York City and Darlington Player who has also worn the Colours of Non-League Whitley Bay a close season signing.

WAYNE ALLISON — Leading goalscorer last term for the Northern Intermediate side. His impressive form gained him a first team placing at the back end of the season and deservedly earned him full term status this term.

RICK HOLDEN — Joined the Shaymen on non-contract forms in September 1986, offered and accepted full time terms in December. His tricky wing play earned him The Supporters Club "Player of the Year Award".

NEIL MATTHEWS — Played nine games and scored two goals last term while on loan from Grimsby. Released by the Mariners at the end of the season and was quickly snapped up by Manager Bill Ayre.

AROUND THE LEAGUES!

A Saturday when 185 goals were scored and, Gillingham created a new personal record when they knocked in 10 at the expense of Chesterfield - who hadn't conceded a goal up to then!

Q.P.R. lead the pack in Division 1 ahead of Manchester United. The Merseyside giants shared the spoils in their respective games but Liverpool have yet to open their campaign at home.

Allan Clarke's Barnsley top Division 2 and Graham Taylor at Aston Villa will be relieved to see his team gain their first win of the season.

Ron Atkinson got off to a good start at West Bromwich who recorded their first win, after coming from behind.

In the Lancashire 'Derby', Blackburn gained 3 valuable points at Manchester City, but Oldham are still looking to regain last season's form - they went down 3-0 at Reading.

In Division 3 Sunderland's point at Walsall keeps them just in front. Blackpool gained their first away win of the season and Wigan kept the pressure on with goals from 'set pieces' again with a 3-2 win at Bristol Rovers. Bury may have hoped for more than a 'draw' at home against Bristol City and Preston are still finding their feet after promotion last term, going down 3-1 with Grimsby on their own plastic surface.

In Division 4 a 90 minute goal by George Oghani earned Burnley the

points at Turf Moor over Swansea. Brian McDermott set Cardiff on the way to victory at the expense of strongly fancied Wolves whilst today's visitors Halifax defeated Newport by a 3-1 margin helped by two Neil Matthews goals. Neighbours Rochdale came home empty handed from Scunthorpe, where a 1st minute goal was enough to clinch the issue.

League newcomers, Scarborough move into second spot with their home win at the expense of Tranmere, Asa Hartford will have been pleased with Stockport's 3-0 victory over Carlisle at Edgeley Park.

Hereford . . . 0 — Bolton . . . 3

Bolton's new strike-force of Trevor Morgan and John Thomas clicked into top gear to destroy ragged Hereford.

But the £50,000 summer signings were helped on their way with some unbelievable blunders.

In the 16th minute Stevens lingered on the ball and was promptly robbed by Morgan, who then gave goalkeeper Rose no chance with a close range shot.

Thomas netted the second in the 44th minute when he slotted the ball home after latching on to a sloppy back pass.

Came outjumped the home defence for Thompson's corner and Thomas followed through to ram in the re-bound.

NEIL MIDGLEY
1987 CUP FINAL REFEREE

Neil Midgley is probably rated as England's top referee, but at one stage soccer could easily have lost him to Rugby League. As a kid Neil's dream was to play at Wembley and he made good progress as a player.

He recalls, "I played for the school and Town team and progressed to the local amateur scene. It was only when my eyesight went that I took up refereeing! Last year I won the Optrex Referee of the Year Award!"

In 1959, "just for something to do" Neil sat the Referee's written examination and passed and in 1960 also passed the Class II. During the following year he took the Class I but failed. "They said I wasn't good enough", he revealed. The next few years proved to be tough. It took 'Midge' until 1965 to obtain that Class I certificate and by then he had become involved with football in the Manchester League.

He said, "I couldn't get on the contributory linesmen's list and I was ready to pack it all in and take up refereeing in the Rugby League when I got an invitation to go on the Cheshire League Linesmen's List which I accepted right away." Neil Midgley's career had now begun. "After two years on the line and the next two years in the middle I was promoted to the Football League Linesmen's List" he said. His apprentice-

ship was completed two years on when he gained Referee recognition.

Neil Midgley was keen to do well and within five years he was elected to the F.I.F.A. Panel, the World's football ruling body and by then his boyhood Wembley dream had come true.

Neil said, "As a kid, Wembley seemed to be on another planet and now I have refereed every Final at the famous Stadium". That started initially with an England-Scotland Schoolboy International and then the F.A. Vase, Charity Shield, League Cup and latterly the 1986 F.A. Cup. As a matter of fact the 1986/87 season was quite unique for 'Midge'. He started the season officiating the Everton v Liverpool Charity Shield and finished with F.A. Cup Final.

Neil seems to have some real feeling when the F.A. Cup is mentioned. He disclosed, "I've never changed. 'Lofty' was my childhood hero and I can remember in 1958 when the Wanderers were coming home with the Cup, I got my bike out and chased the bus." So one can imagine how he felt when chosen for the Coventry v Tottenham game and all is disclosed in the next programme, including "chip frying" in Peking and entertainment in the Wembley dressing room.

NOTICE BOARD

NICKED!

Our increasingly popular 'Face in the Crowd' page brought in another winner after the Peterborough game, and he's turned out to be a well known fan.

He is Nick Jameson who can be seen at most away games and he always stands in the Manchester Road terrace at home games after his 'doorman' job at the King William IV facing the Ground.

Nick said, "I watched my first Wanderers game in 1954 versus Leeds United. We won 5-3 and both Nat Lofthouse and John Charles scored hat tricks. My favourite player was Freddie Hill."

Footnote: We mentioned that particular game to Nat, himself and he remembers it well. "Mine were three great goals but John's were a bit lucky" he joked.

MATCH VIDEO NIGHTS ARE BACK!

Last Monday, in the Executive Club fans saw the three goals scored at Hereford and from now on all away games will be screened on the Monday

following the game, commencing at 8.15 pm.

THE £1,000 ROAR!

When B.W.F.C. lottery agent Patricia Lyon had only two tickets left from her normal weekly supply, she bought one herself and it turned out to be a £1,000 winner.

A delighted Patricia said, "It came as a shock - utter disbelief. I checked it I don't know how many times. It's definitely the most I've won although I have had a £100 win a few years ago."

The scoop came just at the right time, for Mrs Lyon had just had some kitchen alterations carried out.

THANKS FOR EVERYTHING!

Remember the winners of the Florida holiday, Mark Sanderson and Christine Crowley, the last we saw of them was collecting their flight tickets at Manchester Airport.

Well we've received a postcard to tell us they were having a brilliant time and had spent a few days viewing Disneyland and were set on going to Kennedy Space Centre. With an excellent hotel and weather in the 90's what more can anyone ask for?

ONE TO GO!

Thanks to the backing of HB Electronics and Trotters Revival, Warren Joyce and Dave Felgate respectively are now set up with Kit Sponsorship.

Apart from some of our blossoming youngsters there is now only one player remaining in Neil Whatmore.

FLASH BACK

5 YEARS AGO. 7th September 1982. The Wanderers went down to their first defeat of the season, losing 3-1 at Sheffield Wednesday, the result leaving the home side clear at the top of the table on maximum points.

Bolton deserved at least a share of the points for their contribution to a thrilling game, but Wednesday keeper, Bob Boulder, made some spectacular saves to flatter Wednesday. John Pearson put Wednesday in front after only 20 seconds and again found the net in the 72nd minute. Gary Shelton scored their third whilst Tony Henry replied for Bolton ten minutes from the end.

11th September, 1982. The London jinx on the Wanderers continued into the 17th game with Fulham running out 4-0 winners at Craven Cottage. Their goals came from a Ray Lewington penalty, Ray Houghton and a double from Dean Coney.

10 YEARS AGO. 10th September 1977. Neil Whatmore scored the only goal of the game against Oldham Athletic at Burnden Park. Whatmore pounced in the 28th minute to apply the finishing touch from a Willie Morgan cross. Both sides created plenty of chances and Oldham came back in to the game with a strong second half burst but the Wanderers defence held firm.

Manager Ian Greaves was awarded his gallon bottle of whisky for being the second division manager of the month in August.

17th September, 1977. The Wanderers were in irresistible mood as they defeated Sunderland 2-0 at Roker Park. The scoreline didn't reveal the gulf between the two sides as Bolton kept up their unbeaten start to the season. Neil Whatmore and Peter Reid were the scorers as the defence kept up their record of not having conceded an away goal.

15 YEARS AGO. 9th September 1972.

Bolton climbed into second spot in the third division with a 2-0 home win over Plymouth Argyle. John Byrom headed home the first goal in the 15th minute, and Garry Jones sewed up the points in the 63rd minute, when he converted a penalty awarded for handball by Allan Harris. The crowd of 5515 was the lowest League attendance at Burnden that season.

16th September, 1972. The Wanderers were unchanged for the sixth consecutive game but went down to the previous season's fourth division champions, Grimsby Town, at Blundell Park. Both goals came in the first twenty minutes. Mike Hickman scoring the first and Alan Gauden converting a penalty after Warwick Rimmer had handled. Bolton keeper Charlie Wright made his 500th League appearance.

RESERVES NEWS

Bolton Wanderers Reserves 2 Newcastle United Reserves 3 26th August, 1987.

Bolton Reserves almost came back to earn themselves a point after being three goals down with only eighteen minutes left to play.

John Cornwell and Kevin Caizley had given The Magpies a first half lead that they deserved, possibly down to the fact that the strong United side were given too much respect by a young Wanderers eleven.

Bolton showed much more fighting spirit in the second half but their efforts on goal were restricted to long range. Simon Bishop in the United goal saved well from both Chris Banks and Julian Darby.

Paul Watson scored United's third in the 72nd minute, but the Wanderers hit back immediately, Ian Gore scoring from close range from a free kick awarded for an infringement by Bishop.

Steve Elliott rifled home a poor clearance from Bishop in the 79th minute and Julian Darby almost saved the game in the last minute when he headed a Nicky Brookman corner onto the bar with the United defence static.

Team: Price, Hughes, O'Brien, Banks, Gore, Winstanley, Brookman, Darby, Stevens, Elliott, Booth. Subs: Callaghan, Burrows for Stevens.

Bolton Wanderers Reserves 4 Preston North End Reserves 2 2nd September, 1987

The Wanderers quickly got back to winning ways with a good performance against North End who included former Wanderers Frank Worthington, Paul Allen and Paul Keighley.

Ian Stevens put Bolton in front with a delightful goal after ten minutes. He outpaced North End defender, Gary Walker and chipped 'keeper Alan Kelly from a wide position on the edge of the penalty area.

Steven's also scored the second in the 29th minute, turning Paul Hughes' effort wide of Kelly.

Frank Worthington pulled a goal back for North End in the 35th minute, a sweet left foot volley at the far post, in inimitable Worthington fashion.

Steve Elliott kept up his goal a game record for the reserves in first half injury time by scoring Bolton's third and set up the fourth late in the game for Derek Booth to score his first Central League goal of the season.

John Lowey pulled a goal back for the visitor's three minutes from time but this couldn't deter from a steady performance from Bolton's comparatively inexperienced defence.

Team: Price, Hughes, Brown, Callaghan, Darby, Winstanley, Burrows, Neal, Stevens, Elliott, Booth, Subs: Banks for Burrows, Spooner.

IT'S A FUNNY OLD GAME!

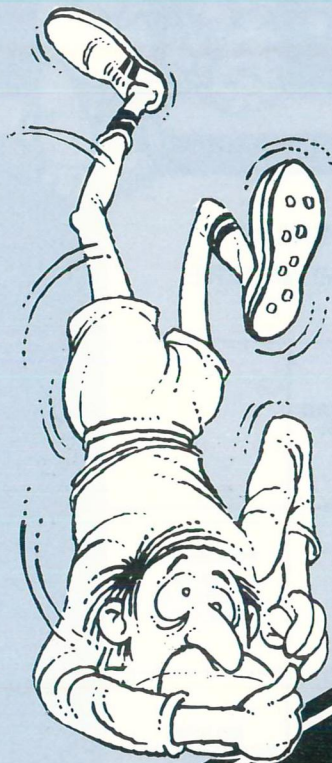

What a week that was, a win against Peterborough and Hereford, in between seeing Frank Worthington grace Burnden with a goal for Preston Reserves and seeing Big Ron return to West Bromwich — Let me get my breath back.

Certainly Ron seemed to enjoy helping out here, the players benefitted from his varied coaching sessions and Alf Davies loved smoking those big cigars. Lets wish Mr Bojangles all the best for the future.

Last weekend at Hereford, Dean Crombie reconfirmed to our travelling army that he is certainly a hard player not only on the field but even on the occasions when he decides to leave the field and land head first into a advertising board, that caused a mighty thud to echo round Edgar Street, but Deano was soon up on his feet and ready to return to play his part in a very good team performance but that poor board, certainly looked the worse off after meeting Dean.

While sat in the stand at Hereford, watching the whites or as it was reds, it occurred what a funny old game football is, down last week, up this week and when one Hereford supporter shouted to have their centre forward, Stewart Philips sent off for a nasty tackle another stood up and pleaded for the other ten to go as well!

The best story from last week, must come from Bristol Rovers who had entertained Wigan and came worse off in a five goal thriller because Referee Martin Bodenham got the surprise of his life as he walked off with the boos of the crowd ringing in his ears for apart from the jeers he also heard a loudspeaker announcement declare "and he's available for booking in any pantomime or cabaret" not surprisingly the Referee is sending in a full report to the F.A. but not before he stars with Mr Courtney in a season of Aladdin.

'OUT WITH THE LOU' STILL EXISTS!

When the 'Out with the Lou' campaign was launched on November 29th, 1986, it received applause from all areas including the Football League and the Police — and it was successful.

When some 30,000 Boltonians travelled to Wembley for the Freight Rover Final they were congratulated on their impeccable behaviour in the Capitol.

During this seasons game with Cardiff one of the visitor's players came in for some abuse and following certain reports from events at Scarborough, officials at Bolton Wanderers Football Club remind **EVERYONE** that the campaign **STILL EXISTS** and serious action will be taken on any culprits this season.

CENTENARY FUN RUN COULD RAISE £500,000.

The Football League Centenary Fun Run, on September 20th is on target to raise £500,000 for charity.

Such is the enthusiasm of League clubs' supporters for the event that it seems likely that well over 100,000 fans will be running simultaneously to play their valuable part in the Mercantile Credit Football League Centenary.

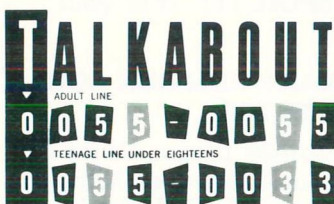

Nearly all the 92 clubs are supporting the League's Fun Run concept, most of them starting at noon. Most of the participants will run, jog or even walk an undemanding two-and-a-half miles.

There will be a nominal £2 adult and £1 junior entry fee and as participants will also be individually sponsored, charities will benefit enormously.

Entry and sponsorship forms available now at Commercial Department.

REFLECTIONS

After last seasons FA Cup clashes between the Wanderers and Halifax, another close game can be expected today. The Wanderers, unbeaten at home, whilst the Shaymen have yet to lose on their travels, along with the fact that Bolton have never lost a League or Cup game to today's visitors.

All the previous four League encounters between the two sides took place in the third division in two seasons in the early seventies.

The first League meeting was here at Burnden in September 1971 when the points were shared in a 1-1 draw, Roy Greaves netting for the Wanderers, Bill Atkins for Town.

The Wanderers made their first League visit to The Shay in January 1972 and took the points with a 1-0 win thanks to a Roger Hunt goal.

The following season saw the Wanderers again take three points. Paul Jones netted in a 1-1 draw at The Shay in September 1972 whilst at Burnden, a 20062 attendance saw Bolton win 3-0, all the goals coming from Stuart Lee in 34 first half minutes. The result left the Wanderers needing two

points from three games to win promotion to the second division. Five points were won and the third division championship came to Burnden.

We have been drawn together three times in the FA Cup with Bolton winning through on each occasion. In 1934 and 1980 it was done at the first time of asking, whilst last season it took three attempts, a 3-1 result at The Shay following two 1-1 draws.

Our League record against Halifax is as follows:

	P	W	D	L	F	A
Home	2	1	1	0	4	1
Away	2	1	1	0	2	1
Total	4	2	2	0	6	2

OUT & ABOUT

WRONG NUMBER MEANT RIGHT LINE!

Our Commercial Department is renowned as second to none, but an interesting, yet unusual incident occurred recently.

It happened when a member of staff inadvertently mis-dialled a wrong number but it proved to be a lucky strike for Bolton Wanderers.

When the receptionist answered, 'Belmont Bleachworks' the caller was taken aback but not deterred and she was perhaps equally surprised when asked if she knew of anyone who might sell some lottery tickets. The voice at the Bleachworks was that of Joanne Michael and by pure chance her boyfriend, John Cannon is a keen Wanderers fan who willingly accepted our re-

quest.

Now John is regularly selling 50 tickets weekly to his work-mates and reckons it's easy - plus he's enjoying a free Match Pass as well.

ROAD RUNNERS!

Pictured here are members of the other team down at Burnden Park, the Burnden Road Runners, before taking part in the 'Walk for Life' event, held at Burnden in July.

Most of the runners did two laps of the course, taking in ten miles, to raise cash for charity.

The Road Runners meet every Monday evening in the Burnden sports centre from 7.00 pm and any new faces would be welcome irrespective of their running ability.

SPOTLIGHT

Gary Henshaw

Under the 'Spotlight' this week comes relative newcomer Gary Henshaw. He is 22 years of age and joined Grimsby Town straight from school serving a two year apprenticeship. At the age of 18 he was offered a full time contract.

His height is 5' 10" and he weighs in at 10 stone 10 lbs. Leeds is his birthplace and his allegiance lies with his home City for Leeds United are Gary's other favourite team.

He is married to Jan and has a young baby girl, Rebecca. He made his Grimsby debut in the League Cup against Coventry, prior to his League debut at Second Division level against Cambridge United.

'Hench' as he is nicknamed in the dressing room, gained honours at Grimsby for winning the Northern Intermediate League and promotion in the Central League. Although he has still to pass his driving test, Gary has an Austin Rover Acclaim although we are trying to get him sponsored by Yugo - for he's always being asked to do presentations and it's 'You go here' and 'You go there'.

Whilst settling in at Burnden he has been house hunting and has now purchased a family home in Lostock where he will be moving shortly. Gary has the taste for good food and dislikes smoking and his musical tastes are George Benson and Phil Collins — or is it Joan Collins?

His first League goal came from a spotkick against Birmingham, a game which finished 1-0.

If Gary was to choose a player for the future it would be Paul Agnew of Grimsby, so remember the name. His ambition is to gain promotion this season with the Wanderers, but although Gary does not set real targets he does hope to keep up his double figure goal tally — something he normally reaches during the course of a season. A big influence on his career comes from Chris Nichol, when Chris was assistant at Grimsby and he would take aside the likes of Gary Lund, now at Notts., County and Paul Wilkinson who is now under Brian Clough's wing at Notts. Forest.

When relaxing at home 'Hench' enjoys watching any sport on T.V. His favourite away ground is Maine Road and we all hope it won't be too long before we're all going there — to watch the Wanderers of course!
